QUICKPAY LATER - No Cost EMI Terms

Order value: ₹60,000 (Smartphone)
EMI plan of 6 months, ₹10,000 per month.

1. This is a No Cost EMI offer. The interest charged by the lender is given to you as an upfront discount by the merchant, so the total you pay equals the order value.
2. A processing fee of ₹199 plus GST is payable on the first EMI and is non-refundable.
3. If any EMI is not paid on its due date, the No Cost benefit will be withdrawn and interest at 30% per annum will be charged on the entire original purchase amount from the date of purchase.
4. A late fee of ₹450 will be charged for each missed EMI.
5. EMIs are collected by auto-debit. If an auto-debit fails due to insufficient balance, a return charge of ₹350 will apply.
6. To assess eligibility, the app may access your contacts, SMS and location data, and you consent to this.
7. You can cancel the order within 7 days of delivery as per the merchant's return policy.
